## Sinus Congestion

Non-Drowsy Sinutab relieves the symptoms of colds, flu and allergies including aches, pains, fever, nasal and sinus congestion.

The tablets contain paracetamol, an analgesic and antipyretic to relieve pain and fever, and pseudoephedrine, a decongestant to clear nasal congestion and blocked sinuses.

**Non-Drowsy Sinutab (30 mg Pseudoephedrine hydrochloride, 500 mg Paracetamol) Product Information:**  
**Presentation:** Tablets. **Uses:** Symptomatic relief of conditions where congestion of the mucous membranes of the upper respiratory tract, especially nasal mucosa and sinuses, is accompanied by mild to moderate pain or pyrexia, including the common cold and influenza, sinusitis, nasopharyngitis, allergic rhinitis, and vasomotor rhinitis. **Dosage:** Adults and children 16 years and over: Two tablets every four to six hours, up to four times a day.
